EDUCATING LEADERS
FOR 800 YEARS

Dear Entrepreneur Colleague,

It is my pleasure to extend to you a cordial invitation to attend the first MBA BRIDGE event on May 21st, 2011 at the University of Oxford.

By way of introduction, I write on behalf of a community of entrepreneurs and social entrepreneurs from the Saïd Business School at the University of Oxford. As entrepreneurial MBA candidates, we know the power of networking and the importance of connecting with the right people to achieve greater changes in the future. Recognizing this, the Saïd MBA focuses heavily on entrepreneurial activities, with close ties to the *Skoll Centre for Social Entrepreneurship*, the *Oxford Entrepreneurs* (the largest network of student entrepreneurs) and institutions such as *ISIS* and the *Oxford Center for Entrepreneurship and Innovation*.

I would like to invite you to join us at Oxford for a meeting of aligned minds, an opportunity to build bridges between universities and an event that we hope to be a legacy for MBA students for years to come. We aim for this event to serve as a forum for a free-flow of ideas and discussion based on personal experience, not limited to one's own university network.

This preeminent event will be held here in Oxford for the first year, and we plan to host you in typical Oxford fashion, including a few traditional events, such as an afternoon garden party and a black tie dinner at a prestigious Oxford College. With the success of this year's event, we intend to pass the torch on to a different elite MBA program to host next year's cohort of MBA entrepreneurs.

Please find attached an invitation with more detailed event and RSVP information. We look forward to meeting you in May and exchanging ideas.

Sincerely,

Ricardo Celaya
